Miguel Caballero joins the Club a Senior Claims Handler

Suzanne Byrne
Group Head of Claims

We are pleased to announce the appointment of Miguel Caballero as a Senior Claims Handler for European and South American Members.

Miguel, a Law graduate with a master's degree in International Trade Law, is a native Spanish speaker, proficient in English and French. He joins us from another IG Club where he spent three years in a dedicated team dealing with P&I, DTH and Defence claims for Latin American Members. Prior to that, Mr. Caballero also worked in private practice and as a correspondent in Spain, as well as in the claims departments of two leading shipping companies.

A keen publisher of articles relating to the maritime sector, he is actively involved with the Spanish Maritime Law Association.

Miguel brings with him a wealth of experience and wide-ranging knowledge and we believe he will be invaluable in developing our European and South American business.
